RE: ADMINISTRATIVE CLOSURE IN THE MATTER OF GLOBAL TEL*LINK CORPORATION'S REQUEST TO ENCUMBER AND/OR MORTGAGE THEIR ASSETS (DOCKET NO. T-02871A-08-0482)

On September 18, 2008, Global Tel*Link Corporation ("Global" or "Applicant"), filed an application with the Arizona Corporation Commission ("Commission") requesting that the Commission authorize it to pledge its assets in the State of Arizona in connection with certain debt issuance financing arrangements.

On February 11, 2009, Staff filed a report recommending authorization of the Applicant's request for encumbrance of its assets in connection with the aforementioned financing arrangements.

On March 10, 2009, Global Tel*Link filed an amended application stating that the authorization provided in this docket is no longer needed. The amended application stated that the Applicant will, instead, use the authorization provided in Decision No. 69952, dated October 30, 2007.

Staff reviewed Decision No. 69952, and concludes that it is still valid and that Global Tel*Link may encumber its assets under the provisions of Decision No. 69952.

Therefore, Staff requests that Docket No. T-02871A-08-0482 be administratively closed.
